THE LOVE JUNGLE

Nathaniel Kiwi has a fertile imagination. In his canvases, luscious jungles abound with technicoloured detail, bargain-store animal masks appear as totems, as in *Metamorphosis (Spring)* pictured below, and undersea plants expel clouds of dream-inducing smoke. Until December 3. Tuesday-Saturday, 10am-6pm, Iain Dawson Gallery, 443 Oxford Street, Paddington, 9358 4337.
